**RE: Lowenbein v. Sage  
12 CV 2606 (JG) (RML)**

Dear Magistrate Judge Levy:

I represent the plaintiff in the plaintiff in the above matter and am requesting that the conference scheduled for today be adjourned as the parties just resolved the matter this morning via email exchanges. I am sorry that we did not resolve the matter earlier and inform the Court earlier but there was the Holiday yesterday which suspended our discussions.

Thank you for the Court's consideration of the foregoing.

Yours faithfully,

/s/

Adam J. Fishbein
